**Presidents Report – AGM  
14<sup>th</sup> September 2021**

As with last year we have had many interruptions to our walking calendar, this mainly the dreaded COVID. With this has come cancellation of walks, camps meeting and the like, but the resilient bunch we are we pick up and move on and I commend you all on staying motivated.

I would like to thank everyone for their patience during this time and especially the committee, we appreciate the time and effort you all contribute to the running of the club.

Special thanks to those who continue to lead our walks and camps. Without our walks calendar we don't have a club. A lot of time and effort goes into planning many of these things and we have seen many new walks on the calendar this year, so again, thank you.

Let's hope the coming year allows us plenty of walking, camps and enjoying the company of friends.

Scherie
