The first club dinner for the year is this Friday evening, 21<sup>st</sup> January. Details below:

Where: Randhawa's Indian Cuisine, 14/318 Logan River Road, Waterford  
(In the Holmview Shopping Centre)

When: 6.30pm

Contact: Sue Jewell 0409 079 473

RSVP: Wednesday 19<sup>th</sup> January. Covid Certificates necessary.

# CLUB STATISTICS 2021

## Club Statistics for the 2021 year - most trip sheets have been received, I hope ...

Well, we have all survived another year with the inclusions of lock downs, and rain events if not full-blown flooding (we thankfully did not have the fires of the year before to contend with). There is a saying 'what doesn't kill you makes you stronger,' we must all be getting very strong.

From the **trip sheets I have**, and no doubt there are some still missing, counting the number of walks attended or number of nights at camps we have been pretty active. As trip sheets are not completed for dinners they have not been included, however as I am now receiving trip sheets for Tuesday walks, I have included those received in the totals.

I can supply the following interesting (to some) facts. In the 2021 Calendar year I have details relating to 85 events with a total of 832 members or visitors in attendance. That's an average of 9 to 10 people attending most events. We were also joined by 32 people over the year who were listed as visitors, some we have only seen once and others have become members.

Our top attended walk for the year was held early on - Lota to Wynnum with 22 members joining in, our attendance topper camp was the Crow's Nest camp which had 21 members attend, some for only 1 night and some for the four nights.

Of our members listing the following is a table of events attended:

1-10 Events Attended	40 Members
11-20 Events Attended	11 Members
21-30 Events Attended	6 Members
31-40 Events Attended	2 Members
41-50 Events Attended	4 Members

The top 6 attendees of events are as follows:

Marija Basic	36
Catherine Mackenzie	39
Andrew McLeod	39
Jon Zablocki	43
Alena Bonaventura	42
Lynne Lucas	45
Malcolm Hill	47

We can not have great walks without great walk leaders. From the trip sheets I have we have 13 members on the list who have lead walks. Top of my list this year is Mark Filius who has led 16 walks with Scherie and Lynne following with 12 each, Andrew is then next with 11 walks, kayaks or camps at 11. Others who have lead walks or camps in no particular order are Brian, Jenny Davies,, Malcolm, Sue Simpson, Su Jewell, Marie McGahan, David Nickson, Robyn Smith and Peter Wintour. If you feel you have led more walks than I have you listed it could be that I have not received your trip sheet yet!

Well, that's about it for the boring stuff. Remember to send through your trip sheets to [tripsheets@bushwalkers.com](mailto:tripsheets@bushwalkers.com) so you are counted in this boring stuff for next time. Keep walking, in mind even if the body is not able and see you on the track sometime.

Lynne Lucas

# DATE CLAIMERS & SOCIAL EVENTS

**Where:** Mt Kosciuszko  
**When:** 7<sup>th</sup> - 16<sup>th</sup> February 2022  
**Contact:** Malcom Hill

### Walk Grading's

Participants are required to read and understand the Grading System for activities as listed. They should ensure that they are able to complete the listed walk. New members will normally start with two shorter and easier walks with the Club, such as easy terrain, easy fitness, and or short to medium length and progress by one grading step per activity.

#### Distance

- S:** Short - Under 10km
- M:** Medium - 10 – 15 km
- L:** Long 15-20 km
- XL:** Extra Long 20+ km

## Terrain

1. Smooth, reasonably flat path
2. Graded path / track with minor obstacles
3. Graded track with obstacles such as rock, roots,
4. Fallen debris or creek crossings
5. Rough unformed track or open terrain with
6. Obstacles such as rock, roots, fallen debris or
7. Creek crossings
8. Rough or rocky terrain with small climbs using
9. Hands or rock hopping
10. Steep, rough or rocky terrain with large climbs
11. Using hands or rock hopping
12. Climb/descend step rock using hands or footholds  
maybe some exposure, good upper body strength
13. Climb / descend near vertical rock with exposure,
14. Climbing skills may be required
15. Sustained climbing or descending of vertical or
16. Near vertical rock with exposure, advanced  
climbing skills required, good upper body strength

## Fitness

1. Basic - suitable for beginners, up to 4 hours walking, flat
2. Basic - suitable for beginners, up to 4 hours walking, minor hills
3. Easy - suitable for beginners, up to 5 hours walking, undulating terrain
4. Reasonable level of fitness required -up to 5 hours walking
5. Moderate level of fitness required - up to 6 hours walking, agility required
6. Medium level of fitness - up to 6 hours walking, agility required
